

RESOLUTION

11-48-082

ENDORISING A COMPLETE STREETS POLICY FOR THE CITY OF OCEAN CITY

WHEREAS, the City of Ocean City is committed to creating a pedestrian and bikeway system that makes walking and cycling a viable alternative to driving, and which improves bicyclist and pedestrian safety, by creating street corridors that safely accommodate all road users of all abilities and disabilities; and

WHEREAS, the New Jersey Department of Transportation's Complete Streets policy states "A Complete Street" is defined as a means to provide safe access for all users by designing and operating a comprehensive, integrated, connected multi-modal network of transportation options."; and

WHEREAS, significant accomplishments have already been achieved by incorporating pedestrian safety and traffic calming measures when public streets are improved; and

WHEREAS, the benefits of Complete Streets include improving safety for pedestrians, bicyclists, children, older citizens, non-drivers and the mobility challenged as well as those that cannot afford a car or choose to live car free; providing connections to bicycling and walking trip generators such as employment, education, residential, recreation, retail centers and public facilities, promoting healthy lifestyles; creating more livable communities, reducing traffic congestion and reliance on carbon fuels thereby reducing greenhouse gas emissions; and saving money by incorporating sidewalks, bike lanes, safe crossings and transit amenities into the initial design of a project, thus sparing the expense of retrofits later; and

WHEREAS, the City Council of the City of Ocean City wishes to implement a Complete Streets Policy through the planning, design, construction, maintenance and operation of new and retrofit transportation facilities, enabling safe access and mobility of pedestrians, bicyclists, transit users of all ages and abilities; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ocean City that the following Complete Streets Policy with the following goals and objectives is hereby adopted:

1. Create a comprehensive, integrated, connected multi-modal network by facilitating connection to bicycling and walking trip generators such as employment, education, residential, recreational and public facilities, as well as retail and transit centers.
2. Provide safe and accessible accommodations for existing and future pedestrian, bicycle and transit facilities.
3. Establish a checklist of pedestrian, bicycle and transit accommodations such as accessible sidewalk curb ramps, crosswalks, countdown pedestrian signals, signs, curb extensions, pedestrian scale lighting, bike lanes and shoulders for consideration in each project.
4. Establishment of a procedure to evaluate resurfacing projects for Complete Streets inclusion according to length of project, local support, environmental constraints, right-of-way limitations, funding resources and bicycle and/or pedestrian compatibility.
5. Transportation facilities constructed for long-term use shall anticipate likely future demand for bicycling and walking facilities and not preclude the provision of future improvements.
6. Designs shall address the need for bicyclists and pedestrians to cross corridors, as well as travel along them, in a safe, accessible and convenient manner; therefore, the design of intersections, interchanges and bridges shall anticipate use by bicyclists and pedestrians.
7. Bicycle and pedestrian facilities shall be designed and contracted to the best currently available standards and practices including the New Jersey Roadway Design Manual, the AASHTO Guide for the Development of Bicycle Facilities, AASHTO's Guide for the Planning, Design and Operation of Pedestrian Facilities, the Manual of Uniform Traffic Control Devices and others as related.

CITY OF OCEAN CITY
 CAPE MAY COUNTY, NEW JERSEY

RESOLUTION 11-48-082

8. Provisions shall be made for pedestrians and bicyclists when closing roads, bridges or sidewalks for construction projects as outlined in NJDOT Policy #705 – Accommodating Pedestrian and Bicycle Traffic During Construction.
9. Improvements shall also consider connections for Safe Routes to Schools, Safe Routes to Transit, trail crossings and areas or populations groups with limited transportation options.
10. Improvements shall comply with Title VII Environmental Justice, Americans with Disabilities Act (ADA) and complement the context of the surrounding community.
11. Exemptions to the Complete Streets Policy shall be presented for final decision to the Mayor in writing and documented with supporting data that indicates the reason for the decision and are limited to the following:
 - a) Non-motorized users are prohibited on the roadway
 - b) Scarcity of population, travel and attractors, both existing and future, indicate an absence of need for such accommodations.
 - c) Detrimental environmental or social impacts outweigh the need for these accommodations.
 - d) Cost of accommodations is excessively disproportionate to cost of project.
 - e) The safety or timing of a project is compromised by the inclusion of Complete Streets.
 - f) An exemption other than those listed above must be documented with supporting data and must be approved by the Mayor.

 Michael J. Allegretto, Council President

Offered by COUNCILWOMAN BERGMAN Seconded by COUNCILMAN WAGNER

The above resolution was duly adopted by the City Council of the City of Ocean City, New Jersey, at a meeting of said Council duly held on the 13TH day of OCTOBER 20 .. 11
